

Our Hearings, Our Voice are recruiting new Board Members

Our Hearings, Our Voice (or OHOV for short) is a Scotland-wide board for children and young people who have experience of the Children's Hearings System (you might know it as the Children's Panel or the Panel).

OHOV is 3 years old and we are recruiting new board members to join us in making children and young people's views heard and influencing decisions to help improve the Children's Hearings System. We know that this system needs re-designed and there has never been such an exciting time to get involved in these important changes!

If you

- Are aged 8-18 and have experience of the Children's Hearings System
- Have a supportive/trusted adult who can support you to travel to meetings in different parts of Scotland? (We will pay for both of you to travel and stay over if needed!)
- Can take part in OHOV meetings on 4-6 Saturdays a year
- And are passionate about making sure the Children's Hearings System is the best it can be

Then we'd love to hear from you! We're looking for new Board Members from across Scotland.

But what's in it for you? There's loads of fab benefits about being a Board Member. Find out more on the [OHOV website](#).
